Our Mission

We inspire curiosity and foster community engagement by providing a welcoming space for learning, exploration and connection. Through free and open access to ideas, creativity, discovery and technology, we empower individuals and strengthen our community.

Our Vision

We envision a library that goes beyond books—offering dynamic resources, flexible spaces and enriching experiences that support lifelong learning and meaningful connections. A modern, accessible library will ensure everyone in our community has the opportunity to grow, create and thrive.

Help Build a Bright Tomorrow for Your Library

Starr Library is at the heart of Rhinebeck because of our friends, donors, volunteers, staff—and everyone who enjoys our accessible resources and programs. Keep the momentum going with a donation today!

With sincerest gratitude,
